INVITATION TO THE INTERNATIONAL WOMEN'S DAY BREAKFAST

"Think equal, build smart, innovate for change"

INTRODUCING OUR GUEST SPEAKER:

Rachel Froggatt
CEO Women in Sport Aotearoa

Secretary General, International Working Group (IWG) on Women and Sport Secretariat & Conference 2018-2022

Appointed Chief Executive Officer in September 2018, Rachel brings considerable global experience to the task of developing Women in Sport Aotearoa into the leading research and advocacy body for gender equity in sport nationally, and supporting opportunities for women and girls to be visible, valued and influential across all facets of New Zealand sport. A senior commercial communications strategist, over the past 18 years Rachel has collaborated with numerous international sporting bodies, including FIFA, FIA and World Rugby, as well as working extensively with many high-profile global brands and rights holders across Formula 1, football, cricket, rugby and Paralympic sport.

Proceeds from this Breakfast will go towards Markets for Change in Fiji.

Between 75 per cent and 90 per cent of all market vendors in the Pacific are women; hours are long, profits are low, and working conditions difficult. Earnings make up a significant portion of the incomes of many poor households. UN Women (Global) Markets for Change (M4C) Project, works to ensure that marketplaces in Fiji (and in the Solomon Islands and Vanuatu) are safe, inclusive and non-discriminatory, promoting gender equality and women's empowerment.
